Dear Station,

Pursuant to the Children's Television Act of 1990, "Curiosity Quest Goes Green" will satisfy the FCC Children's programming requirement and can be classified as either core or non-core programming. "Curiosity Quest Goes Green" serves the educational and informational needs of children 12 years of age and under with its program content, including way to help preserve the environment and with practical applications useful in everyday life. The show also provides informative segments on recycling and various academic activities and science and research techniques, allowing children to play their own part in environmental activities both at home and at school. The weekly series also promotes children's writing and creative skills.

To facilitate your FCC filings, episode synopses are available on line at our website, www.telcoproductions.com. Also available on-line are testimonials from our educational advisory review board, consisting of educators and other professionals who have reviewed the program (see our website for details).

If you have any other questions, please don't hesitate to contact us.

Sincerely,

Alex Paen
