

Meeting **all** your E/I Programming requirements!

FALL 2010

“Animal Rescue” is an award-winning, Emmy-nominated reality series showcasing spectacular rescues of all types of animals. Program educates and informs young viewers about a wide variety of animals, emphasizing teamwork and problem-solving demonstrated by rescuers. Every episode includes pet safety tips and promotes educational activities. **E/I, 13-16.**

“Curiosity Quest Goes Green” is a new series opening the world of green living to children. Program educates and informs kids about recycling, saving energy and protecting the environment. **E/I, 12 & under.**

“Dragonfly TV” features real kids doing real science. Series demonstrates practical applications of math and science with enjoyable, hands-on projects, promoting critical thinking and problem-solving skills. Young viewers see kids like themselves investigating, dreaming and doing! **E/I, 13-16.**

“Dog Tales” informs and educates kids about the world of dogs. Every episode includes valuable information about dog care and pet responsibility, plus tips from vets and trainers. Young viewers learn about various types of dogs, and how they are more than just pets. **E/I, 13-16.**

“Swap TV” is a fun, fast-paced series where two kids swap lives for a once-in-a-lifetime weekend adventure. Youths from different backgrounds exchange life experiences and learn invaluable lessons about people, places and cultures. **E/I, 13-16.**

“Missing” highlights cases of missing children from around the United States. Each episode also includes information for keeping children and families safe. Youths offer peer-to-peer advice on topics including on-line safety, personal behavior and situational awareness. Presented in cooperation with The National Center for Missing and Exploited Children. **E/I, 13-16.**
