

“Gina D’s Kids Club” Generic Series Description

Gina D's Kids Club is an exciting, educational television series for preschoolers ages 2-6. Specifically-themed shows address the learning needs and potential of young children, as they entertain, amuse and delight viewers of all ages through a combination of live action and dynamic 3-D animation! This curriculum-based preschool program aims to teach kids social skills, language arts, and math through dances, silly songs, and colorful skits. The show represents an attractive alternative to current programming because Gina D’s Kids Club is hosted by a positive adult female role model, who connects with her young viewers in the same manner that children relate to a young teacher. Each show concludes with Gina D writing a letter to her Grandmother to review the educational highlights of the day’s events at the clubhouse. The major premise of Gina D’s Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that viewing children will choose to adopt and imitate.
